Application Point: Rely on the Holy Spirit's power to actively share the Gospel, and love and serve our neighbors locally and globally."

Now, let's take a few moments to reflect upon the practical applications of this powerful truth. Feel free to use all or some of the questions below to generate an interactive time of reflection with your family and/or friends by inviting people to share.

- **Understanding the Power of the Holy Spirit:**

What does it mean to receive power from the Holy Spirit? How does this power manifest in the lives of believers today?

- **Being Witnesses for Christ:**

In what ways can we be effective witnesses for Christ in our own "Jerusalem" (our immediate surroundings)? What challenges might we face, and how can we overcome them?

- **Local Missions:**

How can we extend our witness beyond our immediate community to our "Judea and Samaria"? Are there specific groups or areas we feel called to reach out to, and what steps can we take to do so?

- **Global Missions:**

What does it look like to be a witness "to the ends of the earth" How can we support and participate in global missions, both locally and globally?

Praise & Prayers:

- Praise God for all the work done by God through our church's mission team to El Salvador and for bringing them back home safely.
- Keep praying for the people in El Salvador and for God to continue mobilizing our church locally and globally to be His witnesses
